

Sunrise Singers

Contract

2019-2020

Dear Parent/Guardian and Student,

I am pleased to welcome you as a Sunrise Singer for the 2019-2020 school year! Along with developing your singing voice, you will develop increased self-confidence, self-discipline, and skills necessary for teamwork (synergize!)

Being a Sunrise Singer is a privilege that requires discipline, commitment, and responsibility. Please review the following guidelines then sign and return this sheet to the music teacher, Mrs. Pulliam, by the first rehearsal.

- I understand that rehearsals are important and that chorus members are expected to attend all rehearsals.
- I understand that three strikes from August to December or from January to April will result in removal from chorus.
- I understand that as a Sunrise Singer, I must be a positive ambassador of Sunrise Elementary by showing leadership, maintaining good behavior, and academic standing.

I agree to the above listed statements and understand the "strikes" system and our responsibility of commitment to the chorus.
